Patient's health insurance plans state that payment for copays is to be collected for office visits at time of service. If you do not have your copay for your visit, we can reschedule your appointment.

### DO YOU NEED A REFERRAL?

Current referrals are necessary for ongoing care. If you have a plan that requires referrals, it is your responsibility to contact your Primary Care Physician and have referral sent to our office. If a referral is needed for your appointment, you may contact your PCP to request the referral be faxed to our office or you can bring the hardcopy provided by your primary doctor. We will not be able to keep your appointment if the required referral is not received and will need to reschedule your appointment.

### PATIENT CANCELLATION AGREEMENT

This office requires twenty-four (24) hours notice for all patients cancelling office visits, new patient appointments and consults. If our office does not receive a minimum of twenty-four (24) hours notice, you will be charged \$25 for the missed appointment or consult. This charge is not eligible to be submitted to your insurance. It will be billed directly to your account.

## **SURGERY**

Our office will complete any pre-certification or authorization that may be required by your insurance company. We will review any deductibles and out of pocket expenses you will be responsible for as outlined by your insurance plan. We cannot assume that your deductible has been met. We will submit all charges to insurance for payment. However, please keep in mind that any calculated amount is an estimated cost. Unfortunately, there is always the possibility that after your insurance pays its portion, you may have a balance due towards copay, coinsurance or deductible. If your insurance denies payment on a surgical procedure, a flat rate fee will be applied and will be your responsibility.

### **DURABLE MEDICAL EQUIPMENT**

At the time of your visit, the doctor may suggest a brace or support. If you purchase durable medical equipment from our office, all sales are final. There can be no returns or exchanges.

### **HOW MAY I PAY?**

We accept payment by Cash, Cashier's Check, Visa, MasterCard, Discover, American Express or Diner's Club

- 1. All Credit/Debit Card Transactions will incur a three (3%) percent fee in addition to the cost of the services provided by the Practice. This fee applies to all amounts due, including those related to self-pay amounts and/or insurance co-payments and deductible payments. For example if your co-payment is \$50.00, your credit/debit card will be charged \$51.50.
- 2. All dishonored checks used to pay for services provided by the Practice (including self-pay amounts, co-payments and deductible payments) will incur a fee equal to \$25.00 in addition to the amounts due to the Practice for the self-pay amounts and/or insurance co-payments and deductible payments.
